Mother's Friend

is an external liniment for expectant mothers to use. It gives them strength to attend to their household duties almost to the hour of confinement. It is the one and only prepara tion that overcomes morning sickness and nervousness. It is the only remedy that relaxes and relieves the strain. It is the only remedy that makes labor short and delivery easy. It is the only remedy that puts the breasts in condition so that swelling or rising is impossible. Don't take medicines internally. They endanger the lives of both mother and child,
